--------------------------	--------------

Profile

Throughout my education and employment, I have demonstrated high levels of motivation, work ethics, this has been demonstrated by my continued dedication and excellent attendance and my ability to finish tasks to competition, I have also achieved the highest grades in my BTEC extended diploma. I pride myself on arriving early to my university classes, and I consider to be reliable, punctual and hardworking, this can be seen throughout all my assignments.

Work Experience

Baker Blower Precision Engineering CNC Machinist - Trainee This was a part time role of 22 hours per week whilst I completed my BTEC qualification at Sheffield College. The role entailed machine operating, part set up, general workshop activities, coding, etching & part assembly.	Stanley St, Sheffield 10/10/2018 - 21/09/2019
OSL Cutting Technologies Assembling Tools This was a voluntary work experience placement as part of my BTEC qualification. The role included magnetic bench drilling, soldering and wiring.	Burgess Rd, Sheffield 22/02/18 - 19/04/18 (Only Thursdays)
Andrew Tovey Jewellers Workshop Assistant This was a voluntary work experience placement at secondary school. This was a Jewellers workshop where I assisted in soldering, sorting of gems.	Newton Lane, Sheffield 18/7/16 - 22/7/16

Education

Sheffield Hallam University BSC HON Computer Science Modules: Algorithms and Data Structures, Fundamentals of Computer Architecture, Fundamentals of Programming for Computer Science, Maths for Computer Science, Professional Experience and Project Development, Systems Modelling.	Sheffield Sept 19 to present
Sheffield College	Olive Grove, Sheffield Sept 2017 - Jun 2019

BTEC Level 3 Extended Diploma in Engineering (D*D*D*)	
Meadowhead School Academy Trust 10 GCSEs A-C: Mathematics Higher (6), English Language (4), Computer Science (B), Core Science (B)	Meadowhead, Sheffield Sept 2012 - Jun 2017

Technical Skills

In my time in university I have been able to become exceptionally familiar with various programming languages and programmes, some of which are:

- C++
- CSS
- Python
- ADL
- HTML

As well as these languages I have also used:

- Visual studio
- Visual studio code

Skills

- I can work in a team and take instructions well but can easily work independently.
- I have acquired good management skills as part of my most recent role.
- I am also ways punctual and am prepared for the tasks ahead.

Interests

I enjoy my time at home on my computer as I am an avid gamer, as well as this I enjoy socialising with my friends, this would include visits to the cinema and other activities.
